

40 Questions -- 1972 Class Survey

Dear Classmates:

For our enlightenment and entertainment, please complete the following survey to mark our 40th reunion. There are 40 questions below asking about our families, our health, our past experiences, our hopes for the future, and those areas about which we should never speak in public: sex, religion, politics, and income! Please participate even if you can't come to reunion (and skip any questions you do not feel like answering!).

ONLY summary results (and written comments) will be presented at the reunion and be made available on our class website. We pledge to maintain anonymity of all respondents. All survey forms will be shredded/deleted/destroyed after responses are collected.
