

REUNION RIDE BOARD - matching drivers & passengers:

Contact: Debby Markewich Lazarus (lazarus.deborah@gmail.com)

How “matching” will work:

Email Debby to OFFER or REQUEST a ride; put “Ride Board” in Subject Line.

Debby will acknowledge emails and will send contact information to a “Rider” if space is available. Riders are responsible for contacting designated “Drivers.” Drivers will relate their safety guidelines to Riders (ie, masking, open windows) and email Debby when their vehicle is full.

- **Driving TO Smith from NYC or Boston: have space OR Need a Ride?**
- **No pickups at airports** – sorry, too many flight delays
- **May 15 FROM Smith** – we’ll try to match TO NYC, Boston & Bradley Airport
- **At Reunion Headquarters** – we’ll post a “Ride Board” on a bulletin board: Riders and Drivers can list names, cell phones, day/time of travel and locations.

This physical “Ride Board” will help Drivers & Riders find each other for rides FROM SMITH to desired locations.
